Date: 7-29-2014

Benton County Surveyor's Office
 Jerome C. Wittstock, County Surveyor
 Minnesota License No. 19552

Statement of Evidence:

B053

East Quarter Corner of Section 5, Township 38 North, Range 29 West, Alberta
 Township, 4th Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.

12" Sugar	N 61 1/2 W	24 links
19" Sugar	S 53 E	24 links

2002 No resurvey information was found on this corner in the Benton County records.

2008 The Benton County Surveyor set a $\frac{1}{2}$ " iron pipe capped 19552 at the obliterated position of the intersection of the north-south centerline and fence line to the east. The distances to corners north and south are 2693.17 and 2646.18 respectively. The distance north is 30 feet long of the GLO distance and the distance south is 6 feet long. The closing distances along the north tier of sections of the townships in Benton County measure long of GLO distance pretty consistently in the County. The north-south centerline of 95th was accepted as marking the obliterated east-west position because the section corners to the north and south both fall in said centerline.

Coordinates Obtained by GPS

NAD 83 (1996 Adjustment)

N-193988.774

E-520823.966

2009 The Benton County Surveyor's Office found the iron pipe set in 2008 and verified the coordinate position.
