Signature: Alvome C. Wiltstock  
 Benton County Surveyor  
 License No. 19552

Date: 5-19-2014

Benton County Surveyor's Office  
 Jerome C Wittstock, Deputy County Surveyor  
 Minnesota License No. 19552

**Statement of Evidence:**

**B083**

East Quarter Corner of Section 8, Township 38 North, Range 29 West, Alberta  
 Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.

9" Tamarack	N 35 W	30 links

1931 County Surveyor's Record Book 2, page 252, H.G. Elletson shows survey of the east-west  $\frac{1}{4}$  line of Section 8. Survey shows 1/16<sup>th</sup> corners and center of section set by splits east-west with 1320.5 feet per  $\frac{1}{4}$  mile. He notes the following reference ties to a stake and rock in the centerline of a road, 2 feet south of a fence.

Cor FP	W	19.0
Cor FP	E	18.2

1987 Paul Wellen's, LS 10461, notes show a CIM found.

2009 The Benton County Surveyor's Office excavated a 10-foot by 12-foot hole to original soil. A 15-inch somewhat pointed red granite with wood remains alongside was found down 3 feet. It measures within 7 feet of the 1931 survey by Elletson to the west quarter corner of Section 8. Distance north measures 2697.04 to the northeast corner and the distance south measures 2766.96 feet to the southeast corner of Section 8. Believing the stone and stake to be the one Elletson mentions in his 1931 survey, the location was accepted as marking the obliterated corner position.
