

Statement of Evidence:

D34C

Meander Corner No. 2 on the East line of Section 34, Township 38 North, Range 31 West, East Langola Township, 4th Principal Meridian, Benton County, Minnesota.

1852 Original US General Land Office survey set a wood post at this location and bearing trees were recorded:

14" Willow S 88 W 534 links

This corner is 16.50 chains south of the NE corner Section 34.

2002 No resurvey information was found on this corner in the Benton County Surveyor's records.

Note: Little Rock Lake is significantly larger than during the original GLO survey because of the dam on the Mississippi River. The corner now falls in the lake.
