2002 No resurvey information was found on this corner in the Benton County records.

2003 Westwood Professional Services, Inc. searched for corner marker in center of east-west road and in line with tree and fence line south and wood line north. No monument was found. Measured 5382.19 feet between Northeast and Northwest corners of Section 13. Lost position of corner, midway and on line between section corners, fell 3 feet south of the center of the road and in line with fence line south. Since the lost position fit the occupation, set the corner at the lost position. Filed Certificate of Location (Doc. No. 305097).
