- 2001 Westwood Professional Services, Inc. found a 1/2" iron pin down 1.2 feet at the intersection of the centerline of County Road 12 (running east and west) and a tree line from the north and a fence line from the south. This appears to check with the ties from 1963. A cast iron monument was set at the location of the 1/2" iron pin and established reference ties. Accepted the pin as marking the obliterated corner position. Paul Wellen, LS 10461, filed Certificate of Location (Doc. No. 285642).
