Statement of Evidence:

Northeast corner of Section 26, T 37 N, R 32
W, of the 4th Principal Meridian.

1. During the G.L.O. Survey of 1852, Mr. Edwin James Jr, a U.S. Deputy Surveyor, set a wood post to mark this corner.
2. A search of the Benton County Surveyor records indicated a hub with 2 reference ties in the center line intersection of roads north, south and west.
3. On September 24, 1990, Paul E. Wellen & Associates, Inc., found a 1 inch solid iron pin at the above location. The reference ties were missing. We lowered said 1" solid iron pin and replaced it with a cast iron monument and established new reference ties as indicated.
