Statement of Evidence:

Northeast corner of Section 27, T  
37 N, R 30 W, of the 4th Principal Meridian.

1. During the G.L.O. Survey of 1852, Mr. Edwin James Jr., a U.S. Deputy Surveyor set a wood post to mark this corner.
2. A search of the Benton County Surveyor records provided no information for the location of this corner.
3. On September 17, 1990, Paul E. Wellen & Associates, Inc., found a 3/4 inch pipe in the intersection of the center lines of 65th Avenue NE (north-south) and 75th Street NE (east-west) and opposite a tree line north. We lowered said 3/4 inch pipe and placed a cast iron monument at this location. We also established reference ties as indicated.
