

Statement of Evidence:

I172

Northeast Corner of Section 17, Township 37 North, Range 28 West, Maywood Township, 4th Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.

9" Ironwood	N 75 1/2 E	18 links
12" Bur Oak	S 10 W	30 links

1938 County Engineers' Notebook No. 119 shows survey of CAR 27 running from north to south. Notes show approximate corner being a set spike in intersection with town road east and west fence. (Notation: "Try to find in spring") Ties to set spike:

F.P.	SW	44.3'
F.P.	NW	45.6'

1968 County Highway notes in same notebook show a hub set at corner with ties:

TP	NE	46.2
PP	SE	43.65'

2008 The County Surveyor's Office searched and found a 1/2" iron pipe at 0.2' below the centerline of a north south road (155th Ave. N.E.) and a road to the east (95th St. N.E.). Said position appears to agree with the 1968 tie to a PP to the S.E. (44.45 ft. vs. 43.65 ft.). Position is accepted as the best evidence and ties were made.
